STUDENTS TESTIMONIALS

Blase Vaz

Dublin Business School
Master of Science in Cybersecurity
Intake: 2025

“ I met with Gayatri at Eduadvise to start planning on my overseas education journey. Based on her review of my profile she helped me to get a successful admit to Dublin Business School for an Msc in Cybersecurity for the September 2024 intake along with a scholarship. Since I also had to answer the IELTS test, I trained for the same with the Eduadvise Trainer Salma. She helped to improve my overall competency for all four modules of the IELTS Academic Test to achieve my required score within a short period of time. The overall assistance provided by the team at Eduadvise was proficiently managed , including the booking of the IELTS exam. I would be more than happy to recommend Eduadvise for those seeking to help to go abroad to study.

“ A huge Thank you to EduAdvise International for being the absolute best throughout my entire study abroad journey. I did my IELTS coaching with them and honestly, the support, guidance, and the way my trainer Salma made everything so clear and easy, it really helped me hit my desired score without stressing out. But the best part? They literally helped me with shortlisting universities to perfecting my applications.

I got accepted into all the universities I applied for (still feels unreal to say that!) and now I'm officially heading to Trinity College Dublin, my dream uni! Couldn't have done this without EduAdvise especially my counsellor Gayatri for all the guidance and constant support that I received from her! If you're planning to study abroad, these are the people you want by your side. 100% recommend!

“ I’m incredibly thankful to EduAdvise International for making my study abroad journey in Ireland smooth and stress-free. I first came to know about them through a session they conducted at my college. At first, I was overwhelmed and unsure where to begin, but the EduAdvise team patiently guided me through every step, answered all my questions, and made sure I always felt supported and confident. Ma'am Salma, who handled my IELTS coaching, was supportive, clear, and always ready to clear my doubts. The classes were customised to my needs, helping me achieve a 7.5 overall band score.

A special thank you to Ma'am Sheevona and Gayatri for guiding me through everything—from choosing the right course and university to helping with my scholarship, accommodation, and visa. Their attention to detail and consistent follow-ups made the whole process so much easier. I'm glad I chose EduAdvise International. Their support and genuine care really stood out. I highly recommend them to anyone planning to study abroad, you'll be in good hands!
