“ Really good experience. Helped me right from selecting the university to the whole visa documentation process and constantly updating regarding deadlines for each step. Also assisted in student loan. My trainer Salma was really great in helping me achieve my IELTS score of 7.5. Sheevona my counsellor was a great support to ensure everything went smoothly during the application process. Gayatri Ma'am also helped me when my parents had doubts and questions about the university and funding requirement. I really recommend everyone to use eduadvise for their study abroad process.
